Corporate Conferences, Seminars or Conventions require intense attention to detail while dealing with constantly moving parts. For many of these events, the goal is to drive increased demand for the services offered by your company, increased exposure for your company or to bring associates & clients together from all over the country, and at times, the world!

Our goal is to help you to far surpass expectations, while producing a successful & memorable event for you & all of your attendees. For us, what matters first is the quality of work delivered with client satisfaction being the most important ingredient of success. Carrying the same dedication, integrity & passion at all events & an in-depth understanding of how your business works and what you hope to achieve, Purple events, aims to deliver results that exceed your expectations giving your business associates, delegates & employees a memorable experience and a fabulous time.

We handle everything from securing the ideal venue, dealing with multitude of vendors to produce an event of any scale, and handling all aspects on and off site. Right from strategising the way forward in accordance with the requirements of the client to the eventual execution of the event and the final wrap up, Purple events is closely involved with all aspects of planning to ensure that the client's vision is fully realized & all possible obstacles are preempted.

We are what we repeatedly do...

EXCELLENCE

Therefore, its not an act
but a habit.

EX HIBITS

We offer personalized solutions to clients that are tailored as per your requirements. Through their out-of-the-box and international thinking, our creative team provides exclusive designs that help your exhibition stand out amongst the rest.

BRAND PRO motions

Identifying logistical challenges and developing creative solutions so that your brand can be experienced flawlessly and effectively is the name of the game. Through promotional activities that will effectively infiltrate market segments, we will bring your brand to life. To us, brand promotions are about giving our clients the ideas and the platform that is needed to showcase their products, in order to propel them into the market in an effective manner.

LIFE STYLE events

We believe that we possess the knowledge and background to cater to each and every need of our clients so that your vision comes to life through our dedication and specialized attention. Once you have us on board, rest assured, you are up for a spectacular event from start to finish with real time updates from a highly skilled and experienced team. We are a perfect combination of passion with efficiency, personality with originality, and perfection with celebration.
